**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im writing to register my opposition to another rule change being pushed down consumer throats by ATT. It is truly pathetic to see the FCC completely disconnected from its mission, and blatantly serving the bidding of ATT and Comcast.

I have a stake in stopping this rule change in San Francisco where I live and work, broadband is critical to my familys homes, our businesses and my grandchildrens schools.

I happily have fiber today but was previously connected with competitive DSL, so I had an alternative to ATT dsl or Comcast cable.

I also have competitive telephone service, and this is how the marketplace Is supposed to work. I dont have high hopes, seeing how FCC leadership acts so craven and undemocratic. Do your jobs!
